Social media management, graphic design, visual identity redesign, website redesign, event organization.

EDUCATION

BACHELOR'S DEGREE IN MULTIMÉDIA

IUT NANCY-CHARLEMAGNE | 2022 - 2025

Learning about audio-visual technics and history, communication strategy, event organisation, web development and digital creation in general. This bachelor made me a 360-communication professional, able to work on the field as behind my screen and always ready to acquire new skills.

COMMUNICATION STUDY

UNIVERSITÉ DE LORRAINE | 2021 - 2022

During this license I develop my critical mind on media and arts in general. I study the world around us through the prism of the transmission of information. I also have exciting image analysis classes that teach me how to deconstruct visual representations.
